RE: Low Income Pool Match Commitment

Dear Ms. Latrice Steward:

The purpose of this letter is to advise you of Seminole County's ("County") position regarding the local match portion, otherwise known as Intergovernmental Transfers ("IGT"), of the Low Income Pool Funding (LIP). It is our understanding that Seminole County is eligible to provide local funds in the amount of TWO HUNDRED TWENTY ONE THOUSAND SIX HUNDRED and EIGHT DOLLARS (\$221,608.00) to assist True Health's initiative to serve primary care services. True Health's status as a Federally Qualified Health Center, serving residents of both Seminole and Orange county for the past 42 years, has encouraged Seminole County to support the services you provide for our residents. The County understands that any contributions would go toward the FIVE HUNDRED TWELVE THOUSAND SIX HUNDRED and EIGHTY NINE DOLLARS (\$512,689.00) total that is needed to access the ONE MILLION ONE HUNDRED THOUSAND and 00/100 DOLLARS (\$1,100,000.00) in the LIP state funds.

It is our pleasure to commit TWO HUNDRED TWENTY ONE THOUSAND SIX HUNDRED and EIGHT DOLLARS (\$221,608.00) in IGT match funds to True Health. Please provide our office with copies of any documents memorializing this transaction.

Sincerely,

Brenda Carey  
Chairman of the Seminole County  
Board of County Commissioners
